HA-94
Thomas House at Mill Green
Box 51 Mill Green Road
Street, Maryland 21154

This frame house is two stories high and three bays by two. The house, on Mill Green Road, faces south.

The village of Mill Green grew up around the once prosperous grist mill located on Broad Creek. The mill, built in 1827 by N.S. Bemis, to replace an older stone mill, remained in operation until approximately 1915.

Houses in the village of Mill Green reflect that era when the mill was known as Robert's Mill and owned and operated by Margaret Street (nee Roberts). Joseph Boyd is listed as her miller in the 1878 Business Directory.

At one time this village had a tavern, post office, saw mill, grist mill, forge, general store and hotel.

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This frame house is two stories high and three bays by two. The house, on Mill Green Road, faces south.

The slate covered roof is gable flank and has a peaked gable in the center. A four pane arched window is situated in this peak. Two corbeled brick chimneys flank this peak on the roof's ridge line. The roof has wide eaves.

Windows are two lights over two. These have louvered shutters. The principle facade is in the center bay of the south facade. The door has a transom and sidelights.

A one story, hip roof porch extends along the entire south facade, as well as the east facade of this house. The porch has fairly plain, bracketed columns.

An addition on the northeast is two bays long and has a one story porch attached to its west facade.
